MEMORANDUM FOR: Special Assistant to the Director  
for Planning and Coordination

ATTENTION : Mr. James Q. Reber

SUBJECT : Review of Implementation of CIA Responsibilities Under  
Technological Capabilities Panel

REFERENCE : ESO Memorandum to J. Q. Reber, dated 10 July 1957  
Same Subject

1. Reference memorandum is a progress report concerning ELINT in response to TCP Specific Recommendation C.6. The following should be added:

"As an integral part of Project AQUATONE, ELINT capabilities have been developed and exercised which have made a substantial contribution to community knowledge

The success of the ELINT phases of this project are the direct result of the effective organization of AQUATONE and the ability to bring to bear advanced technical know-how at high level."
